National Park Information Centre

Information about the National Park

Precipitous rocks, bizarre shapes and breathtaking views mark the landscape of the largest sandstone canyon in Europe.

Exhibition

Conference rooms

To find out more about the formation of these unique landscapes, we invite you to the National Information Centre in Bad Schandau for an exciting and entertaining visit.

Events

Nature Shop offering regional products

Discover, learn and enjoy with your whole family.

National Park Information Centre

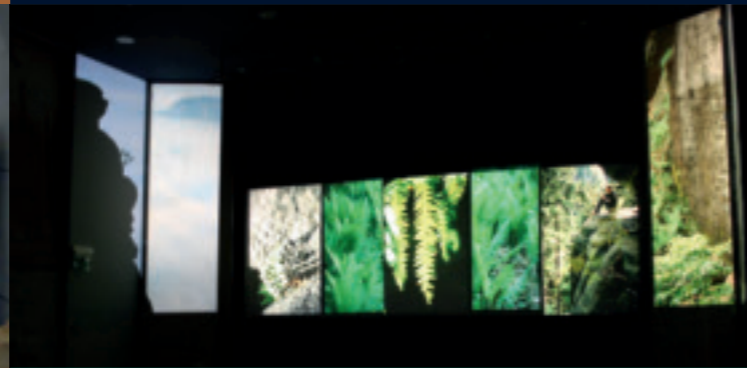

Discover and experience **Explore and experience**

- Ant Zoo** How does the bottom of a dried-up ocean turn into craggy sandstone mountains?
 - Dark room**
 - Games** Which nocturnal animals live in rocky areas?
 - Rock models**
 - Movies** How old can our forest become?
- We invite you to find the answers to these and many other questions in the centre's interesting and diverse wilderness exhibition.

Hear and see **Hear and see**

- Beautiful projections** Advanced slide shows and computer animations take you deep into the very own world of the national park.
- Music**
- Animation**

- Villages** Models houses filling complete rooms and attractive pictures illustrate historic and current developments in housing styles in Saxon-Bohemian Switzerland.
- Living**
- Wood and sandstone**

Learn and discover **Learn and discover**
